Dear General Moore:

Thank you very much for your letter of 1 August enclosing two copies of the final address given by Paul Henri Spaak at SHAPEX-60.

I very much appreciate your doing this for me since I have been anxious to read Mr. Spaak's remarks in full. You may be sure that any distribution of Mr. Spaak's comments within this Agency will be on a very restricted basis.

I want to take this occasion to reiterate my previous verbal comments to you and Larry Norstad that my own participation in the SHAPEX meeting was one of the most interesting and enjoyable experiences I have had.

Sincerely,

SIGNED
